

Anchor Grounds Management

Commercial Landscaping & Grounds Maintenance | Las Vegas, Nevada

Company Overview

Anchor Grounds Management provides reliable landscaping and grounds maintenance services for commercial properties, HOAs, and property management companies throughout the Las Vegas Valley. As a veteran-led company, our approach is rooted in discipline, consistency, and attention to detail. Our goal is to keep properties clean, professional, and well-maintained while helping clients preserve property value and curb appeal.

Core Services

- Landscape Maintenance – routine mowing, edging, trimming, and property upkeep
- Irrigation Inspection & Repair – inspection and repair to improve watering efficiency
- Tree & Shrub Maintenance – trimming and shaping for appearance and plant health
- Seasonal Cleanup – debris removal and seasonal preparation
- Commercial Grounds Management – recurring service plans for commercial properties and HOAs

Core Differentiators

- Veteran-led leadership focused on reliability and accountability
- Water-conscious landscaping practices suited for Nevada climates
- Flexible service plans for HOAs and commercial properties
- Responsive communication with property managers and owners
- Consistent maintenance schedules to preserve property value
